2016-2017 Sacred Hearts Staff Wish List **Revised February 13, 2017**

Greetings Sacred Hearts Families,

Wow! The list has been updated—and lots of wishes have been granted! The staff is so appreciative of your support. Please do not ever feel obligated to purchase items, maybe you know where the school can get a good deal--this information is equally valuable. We would love to hear from you! Also, many items can be used and in good condition. Your children may have simply outgrown them and the teachers can put those toys/books to good use.

If you have questions regarding a specific item, please contact the teacher directly.

Thank you for your support!

Laura Ritchie
