

2017-2018 Sacred Hearts Staff Wish List

Revised September 27, 2017

Greetings Sacred Hearts Families,

Home and School provides an updated Staff Wish List approximately 3 times per year. The staff is so appreciative of your support. Please do not ever feel obligated to purchase items, maybe you know where the school can get a good deal--this information is equally valuable. We would love to hear from you! Also, many items can be used and in good condition. Your children may have simply outgrown them and the teachers can put those toys/books to good use.

If you have questions regarding a specific item, please contact the teacher directly.

Thank you for your support!

Laura Ritchie

Office
